Dear Barrett -

We greatly appreciated all of your support and hard work to make the Kempe Foundations' "Custom Built Hope for Kempe Kids" campaign a significant success.

Your development, maintenance and marketing of all of our websites were instrumental in reaching the audience for the support required to make this campaign successful.

Please do not hesitate to call upon us to be a reference for your work regarding web development, web hosting, internet marketing and sales/marketing systems.

Thank you again for your continued support of our businesses and community.

Sincerely,

Lindsey Zimmerman
